A note from:

Ms. Jolene

It's getting cold outside and we play outside even in the snow! Please send your child with a hat, gloves/mittens and warm jacket everyday. If you need a jacket please see Norma or grab one from the box in the Front Office.

Please remember not to send your child to school with toys, candy or food.
Thank you!

A Peek At What We Are Learning

Our second quarter together has been focused on learning about different foods and now community helpers. Ask your child to sing the "Five Little Snowmen" song or to tell you about playing in the grocery store we've built in our classroom dramatic play.

Your Child will be coming home with backpacks this week! Please return them on Tuesday, January 30.

On Tuesday, February 5 the class will celebrate good behavior with a Frozen Party. Children can bring their Frozen themed toys and wear costumes to class.
